Data 02.04.2025

Civitavecchia Fruit & Forest Terminal S.p.A.,

The corporate policy for Quality, Health, and Safety of Civitavecchia Fruit & Forest Terminal S.p.A. is focused on achieving customer satisfaction, trust, and loyalty, as well as full compliance with mandatory regulations/laws, and considers its workers as a strategic resource for achieving corporate objectives.

To best pursue this objective, the Management has decided to implement a Quality, Health, and Safety Management System in accordance with the UNI EN ISO 9001:2015 and UNI ISO 45001:2018 standards.

Consistent with the establishment of its Management System, the Management declares, in particular, its commitment to the following:

- understand the needs of customers and plan their activities to fully satisfy the stakeholders (owners, customers, and employees) through the achievement of budget objectives, compliance with the requirements agreed upon with the customer, and technological innovation;
- operate in compliance with the requests and requirements of the reference market, the country in which it operates, adhering to laws and regulations and all parties involved in its critical processes;
- implement services using the best methodologies and innovative technologies that ensure, within the timeframes set by contracts, a quality result that also entails a consequent reduction in operating costs;
- safeguard the environment by analysing significant aspects to prevent possible impacts and using raw materials in a rational and sustainable manner, prioritising, where possible, recovery and recycling, and encouraging the development and use of innovative technologies both in the design and implementation phases;
- eliminate hazards and reduce risks in order to prevent and reduce injuries and occupational diseases through the implementation of every possible action to prevent accidents;
- promote the consultation and participation of workers, ensuring the broadest involvement to disseminate and deepen health and safety aspects, welcoming proposals for continuous improvement - guarantee safe and healthy working conditions for their workers - share
